CENTRAL EXPRESSWAY PROJECT SECTION 3
ENGAGEMENT OF TEAM LEADER
FOR
CONSTRUCTION SUPERVISION OF
CENTRAL EXPRESSWAY PROJECT SECTION 3
FROM POTHUHERA (CH. 0+100 KM) TO RAMBUKKANA (CH.13+800KM)**

TERMS OF REFERENCE (TOR)

A. Background

1. Out of 4 sections of entire Central Expressway Project (CEP), Central Expressway Section 3(CEP3) traverses through Pothuhera (Ch. 0+000km) to Galagedara (Ch. 32+450km) via Rambukkana.
2. The construction works on CEP3 within the stretch from Ch.0+840 km (Pothuhera) to Ch.12+890 km (Rambukkana), was commenced in 2021/2022 by the Employer- Road Development Authority (RDA) established under the Ministry of Transport & Highways by awarding 17 separate Contract (Contract No. 1A to Contract No. 1Q) to local Contractors on competitive bidding procedure to complete the expressway sections up to sub base top level including the completion of structures with local funds. (*the details of these Contracts are given in Annexure 1*)
3. The RDA having its staff released to Project Management Unit of CEP3 (PMU-CEP) and with few outside staff (who are not available within the cadre of RDA) recruited through Project Management Unit (PMU) provisions, has been carrying out Construction Supervision/Contract Administration under International Federation of Consulting Engineers (FIDIC) Conditions of Contract for 'Construction for Building and Engineering Works Designed by the Employer-First Edition 1999.
4. Further, the Employer has entered into a Contract with the National Building Research Organization (NBRO) to review or submission of geotechnical designs depending on the requirement of each construction contract.
5. Although the Works on all 17 Contract Packages progressed initially to a satisfactory level, the economic crisis emanated subsequently in the Country stalled the Contract performance due to scarcity of materials (locally produced and imported) and delays in payments to the Contractors. Eventually, the Works on 17 Contract packages virtually ceased to perform and the schedule dates of competition have also been expired as at end of August 2023.
6. However, in July 2023, the Government of Sri Lanka decided to construct the CEP 3 Section from Pothuhera (Ch.0+100km) to Rambukkana (Ch. 13.800km) to an operational level.
7. With affirmation of the Government, the RDA with the consent of the Ministry of Transport & Highways decided to revive 17 stalling Contracts and the balance works within the stretch from Pothuhera (Ch.0+100km) to Rambukkana (Ch. 13.800km)to complete the expressway Section to an operational level with Government financing.
8. Further, approval has been obtained to grant maximum of 18months from July 2023 to complete the present 17 Contracts. Accordingly, the 17 Contractors were instructed to submit the programme and cost proposal for the completion of balance Works within a maximum period of 18 months. Further, the RDA expect to award contracts to complete remaining

sections within the stretch from Pothuhera (Ch.0+100km) to Rambukkana (Ch. 13.800km) within the said period of 18 months up to top of sub base level.

9. Therefore, the RDA has decided to recruit few **domestic** individual consultants to enhance its Construction Supervision/Contract Administration team for successful completion of the above 17 Contracts and remaining contracts to be awarded to complete the stretch from Pothuhera (Ch.0+100km) to Rambukkana (Ch. 13.800km) up to top of sub base level.
10. Accordingly, the RDA requires the service of a qualified and experienced expert for the post of **Team Leader** as per this TOR.

B. Objectives

The objectives of this assignment is to exercise the powers delegated by the Engineer and assist the Employer/Employer's Representative (Project Director) in Construction Supervision/Contract Administration as per this TOR having managed the Employer's Supervision/Contract Administration team to produce the outcome expected through the Construction Contracts.
