2. The work consists of construction of sub base, base shoulders, asphalt/Concrete surfacing, and drainage
3. Interested bidders may obtain further information and inspect the Procurement Documents from the following officers. The documents are also available for viewing online at www.rda.gov.lk from 18.09.2025 to 08.10.2025
 - a. Provincial Director (NP), Road Development Authority, Beach Road, Jaffna. Tel No: 021-2222517 or 021-2222580
 - b. Deputy Director General (Procurement Management), Road Development Authority, 4th Floor, “Maganeguma Mahamedura”, 216, Denzil Kobbekaduwa Mawatha, Battaramulla. T.P: 011- 2884790 Fax: 011-2884790
4. Pre-bid meeting will be held at 10:00hrs on **24.09.2025** at the office of Provincial Director (NP) Road Development Authority, Kandy Road, Vavuniya.
5. A complete set of Procurement Documents in English language may be purchased by interested bidders from **18.09.2025 until 08.10.2025** (between 09:00 hrs. and 15:00 hrs.) from the Deputy Director General (Procurement Management), RDA. To purchase, submit a written application in person or via email to ruralroads.prorda@gmail.com along with proof of payment of the non-refundable document fee.
6. The non-refundable fee must be paid in cash to the **Director General – RDA**, account at the **Bank of Ceylon - Corporate Branch (Account Number: 0000001943)**. The **contract number and the bidder's name** must be clearly indicated on the cash deposit slip. The original/valid cash deposit slip **must be submitted with the bid**. Its availability will be scrutinized during the bid evaluation stage. As per the public Contract Act No.3 of 1987, only the Agents and Successful winners of tenders shall be registered in Department of Registrar of Companies.
7. Bids must be delivered in duplicate to the Deputy Director General (Procurement Management), Procurement Management Division, Road Development Authority, 4th Floor, “Maganeguma Mahamedura”, No.216, Denzil Kobbekaduwa Mawatha, Koswatha, Battaramulla on or before 14:00hrs on **09.10.2025**. Late bids will be rejected. Bids will be opened soon after the closing, in the presence of the bidders’ or their representatives who choose to attend.
8. Bids shall be valid until 08.01.2026
9. In the event that a bidder submits bids for multiple contract packages and is the lowest substantially responsive bidder for more than one, the RDA will assess the bidder's capacity to meet the aggregated qualifying criteria for (a) Average Annual Turnover and (b) Liquid Assets. Following this assessment, the RDA will determine the most beneficial and economical combination of packages to award to the successful bidder.

**Chairman, Road Development Authority Procurement Committee,
Road Development Authority, “Maganeguma Mahamedura”,
Denzil Kobbekaduwa Mawatha, Koswatha, Battaramulla.**

Section - 5

Bidding Data and Contract Data

REFERENCE ONLY

BIDDING DATA

Clause 1, Scope of Bid

Clause 1.1

- a) Employer is the Secretary, Ministry of Transport, Highways, Ports and Civil Aviation.
b) Address of the Employer is: “Maganeguma Mahamedura”,
216, Denzil Kobbekaduwa Mawatha, Battaramulla.

The Scope of the Work is **Improvement of Eruvittan-Vellalakaddu Road**

The work consists of earth works construction of base and asphalt surfacing with incidentals.

The Site is located in Mannar District.

Clause 1.2 Time for completion is **119 Days** from the Start Date:

Clause 1.3

- a) The Procurement Documents shall be inspected from the RDA web site [www.rda.gov.lk] from 18/09/2025 to 08/10/2025.
- b) The non-refundable tender fee of **Rs. 4,250/-** (inclusive of SSCL & VAT) can be paid by depositing cash to the following account.
- | | | |
|-------|----------------|-------------------------------------|
| (i) | Account Name | : Director General – RDA. |
| (ii) | Account Number | : 0000001943 |
| (iii) | Bank Name | : Bank of Ceylon – Corporate Branch |
- c) The Procurement Documents shall be collected during working hours from *09.00 Hrs to 15.00 Hrs* via email address from 18/09/2025 until 08/10/2025.

Clause 2, Source of Funds

Clause 2.1 Funded by Government of Sri Lanka (GOSL)

Clause 3, Ethics, Fraud and Corruption

Add a new sub-Clause 3.3

Clause 3.3

Involvement of any prohibited practice, described in the Procurement Guideline 1.5.2., in order to influence the procurement process shall make the Bid non-responsive and subsequent action shall be taken accordance to the Procurement Guideline 1.5.3. If detected after the award, the bidder could be subjected to legal prosecution.

Clause 4, Qualification of the Bidder

Clause 4.2

The bidder shall be currently registered with the Institute for Construction Industry Development Authority (CIDA) in C6 or above grades in Highway specialty.

Experience of subcontractors in respect of “Contract of similar size and nature” shall be accepted, only if the reference sub- contract was approved by the Employer. Also, such bidder shall submit the sub – contracting agreement along with the Completion Certificate issued by the main contractor and an approval letter issued by the Employer confirming the sub-contracting arrangement. Any bids that, not complying with this requirement shall be rejected.

Availability of Financial Resources

Liquid Assets and / or credit facilities required

Minimum Liquid Assets available shall be **Rs. 34.28 million**

Minimum Liquid Assets Available is calculated as follows:

$X = (A - L) - 0.1 W + C$ where;

X = Minimum Liquid Assets available

A = Current Assets as given in the latest audited financial statements

L = Current Liabilities as given in the latest audited financial statements

W = Outstanding contractual commitments as supported by an affidavit as per Form given in Section 9

C = A project specific revolving line of credit given by a bank used by Form given in Section 9

Note: Available Working Capital of bidder should be positive (+).

Any Bidder who does not have the minimum liquid assets calculated on the above basis, required under Clause 4.4 shall be treated as non responsive.

Any bid which has to be supported by a project specific revolving line of credit, to meet the requirement of the Clause 4.4 but does not provide it strictly according to Form given in Section 9 shall be treated as non responsive.

The bidder shall submit an affidavit that he has declared all his other contractual commitments – specimen form attached in Section 9. But does not provide all current contract commitment shall be treated as non responsive according to the clause 3.3 of ITB.

No Conditional Line of Credit will be accepted and any letter of line of credit which has deviated from the specimen format, shall be considered as non responsive.

•Performance in past contracts of RDA

Bidder shall be disqualified for award of the contract if the bidder has one or more of following poor performances in past contracts of RDA.

- Any Bidder who has abandoned any of the previous contracts awarded to him during last 5 years prior to 11/09/2025.
- If any contract has been terminated due to the contractor’s default within last five years before 11/09/2025.
- Any bidder who has been issued with Notice to Correct (NC) within last five years prior to 11/09/2025 as per clause 15.1 of Condition of Contract of CIDA/SBD/102 on the poor performance of the Contractor or similar notice as per the relevant Condition of Contract (COC) and is still in force on the date of bid opening of this procurement, unless the Engineer certifies that Contractor has corrected the content of the Notice to Correct. This certificate shall be submitted with the bid.

B: Bidding Documents

Clause 9.1 Employer's address for the purpose of clarification is:

- a. Deputy Director General (Procurement Management), RDA, 4th Floor, "Maganeguma Mahamedura", Denzil Kobekaduwa Mawatha, Battaramulla.
T P: 011 2884790 Fax: 011 2884790
- b. Provincial Director (Northern), Road Development Authority, Jaffna
T P: 0212222580, Fax: 0212222517

C: PREPARATION OF BID

Clause 11.1 The language of the Bid shall be English.

Clause 13.3 The bid price shall include Physical Contingency, Price contingency and Provisional sums.

VAT component shall not be included in the rates. The amount written in the Form of Bid shall be without VAT. However, VAT component shall be shown separately at the end of the BOQ.

The name of the Contract is **Improvement of Eruvittan-Vellalakaddu Road**, under Contract No: **RR/RDA/11/25/NP/MNR/11**

Clause 20.1

The deadline for submission of bids shall be 2.00 p.m. on 09/10/2025.

E: AWARD OF CONTRACT

Add new clause

Clause 31.3. Award

The Employer will award the contract to the bidder whose Bid has been determined to be successful according to the following criteria

The following contract packages have been invited simultaneously with this package.

- 1 RR/RDA/ 11/25/NP/MNR/01
- 2 RR/RDA/ 11/25/NP/MNR/02
- 3 RR/RDA/ 11/25/NP/MNR/04
- 4 RR/RDA/ 11/25/NP/MNR/05
- 5 RR/RDA/ 11/25/NP/MNR/07
- 6 RR/RDA/ 11/25/NP/MNR/11
- 7 RR/RDA/ 11/25/NP/MNR/23
- 8 RR/RDA/ 11/25/NP/MNR/24

Each contract package will be evaluated separately.

In the event, a bidder submits bids for more than one contract package and the bidder becomes successful for more than one contract package (lowest substantially responsive), RDA shall assess its capacity to meet aggregated qualifying requirements for (a) Average Annual Turnover (b) value of liquid assets and then calculate the lowest combination of all packages which is beneficial and economical to the RDA and will be recommend for awarding successful bidder.

Add New sub-Clause 31.4 – Appeal Procedure

After evaluation of Bids in accordance with the procedures described under sub clauses 25 to 30, Instructions to Bidders, the Employer will inform to all the bidders in writing the selection of the successful bidder and the intention of contract award to such bidder.

There shall be an interval between the submission date of the Procuring Entity's notification of the intention to award the Contract and the actual award of the contract. (Standstill Period) The purpose of the Standstill period is to provide sufficient time for the bidders to consider whether they should submit an appeal against the decision to award the contract. The Standstill period shall be at least ten (10) Working Days.

Before the expiry of the third (3rd) Working Day of the Standstill period, any unsuccessful bidder may request a debriefing from the Procuring Entity. The PE shall conclude the debriefing before the expiry of the fifth (5th) Working Day of the Standstill period. Details are included in Section 09

If any bidder wishes to submit an appeal against the recommendation, such appeal shall be made before the expiry of the Standstill period to the following address with non-refundable cash deposit.

Address:

The Chairman,
Regional Procurement Appeal Committee (RPAC).
RDA.

Cash Deposit ; Rs. 10,000.00

Clause 34.1

The Unconditional, Irrevocable, on demand Performance Security, in the Standard Form, acceptable to the Employer shall be from the following agencies.

- a. A local commercial bank approved by the Central Bank of Sri Lanka, which is operating in Sri Lanka.
- b. A foreign commercial bank operating in Sri Lanka, which is approved by the Central Bank of Sri Lanka.
- c. Construction Guarantee Fund

The amount of Performance Security is 5% (Five percent) of the Initial Contract Price. The Format of the Performance security shall be strictly in accordance with the specific format given in Standard Forms Section

Clause 36

The Adjudicator proposed by the Employer is a member to be appointed by the Institution of Engineers, Sri Lanka (IESL)

Fees and types of reimbursable expenses to be paid to the Adjudicator shall be on a case-to-case basis and shall be shared equally by the Contractor and the Employer.

CONTRACT DATA

- 1.1 The Employer is the Secretary, Ministry of Transport, Highways, Ports & Civil Aviation.
Address: 8th Floor, “Maganeguma Mahamedura”, 216, Denzil Kobbekaduwa Mawatha, Battaramulla.
Name of Employer’s Representative is Additional Secretary (Special Project), MOT, H, P & CA.
The Engineer for the Contract is Director General of RDA.
Engineer’s Representative is Resident Engineer for RRD Programme (Northern Province)
- 1.1 The Work consists of construction of Sub-base, base, shoulder, Culvert and asphalt surfacing and rigid pavement with incidentals.
The scope of the work is **Improvement of Eruvittan-Vellalakaddu Road**
The Start Date shall be 14 calendar days from the receipt of the Letter of Acceptance.
- 8.1 Schedule of other Contractors: Public Utility Agencies
- 9.1 Schedule of Key Personnel: (Directly involved in the project)
Minimum persons with qualifications and experience to be defined,
- a. Technical Project Manager with B.Sc. Civil Eng. or equivalent & 5 years working experience in construction and shall have ability to lead and direct multi-disciplinary teams and experience in proper deployment and efficient management of human and other resources.
- b. Contract Administration Minimum qualification shall be Diploma in Civil Engineering or Quantity Surveying in recognized institute with 3 years working experience in construction field and contract administration.
- 13.1 The minimum insurance covers shall be:
- The minimum cover for insurance of the Works, Temporary Works and of Plant and Materials is 110% of the Initial Contract price.
 - The minimum for insurance of other property is Rs. 1 million per occurrence with the third party, number of occurrences unlimited.
- The minimum cover for personal injury or death,
- For the Contractor’s workmen is Rs. 400,000/= per event
 - Contractor’s employees other than workmen is Rs. 550,000/= per event
 - For third party and employees of the Employer and other persons engaged by the Employer is Rs. 550,000/= per event
- For all the above the number of occurrences shall unlimited.
The insurance cover shall be valid from the Start Date to the end of the Defects Liability Period.
- 14.1 Information from the Site investigation, if so applicable and available, is shown on the Drawings.
- 17.1 The Intended Completion Date for the whole of Works shall be **119 Days** from the Start Date.
- 21.1 The Site Possession Date shall be within 07 Calendar days from the date of Letter of Acceptance.
- 25.3 Replace the sub clause 25.3 with following,
The adjudicator shall be appointed by agreement between the parties. In the event the parties are unable to reach agreement on the appointment of the Adjudicator within fourteen (14) Days from the date of such request, either party may make an application to the Institute of Engineers, Sri Lanka (IESL) to appoint an Adjudicator.

26.1 Replace the sub clause 26.1 with followings,

Should the Adjudicator resign or die or is removed by agreement of the parties on the basis of his unsatisfactory performance, the Parties may jointly appoint another Adjudicator and such an appointment shall be made within fourteen (14) Days after the resignation or death or removal of the Adjudicator. If the parties are unable to reach agreement on the appointment of a new Adjudicator, then the Adjudicator shall be appointed by the Institute of Engineers, Sri Lanka (IESL) at the request of either party within fourteen (14) Days of receipt of such request.

27.1 The Contractor shall submit a Programme for the Works within **28** Calendar days of the Letter of Acceptance.

Contractor shall work only during normal working days unless otherwise agreed with the Engineer or in unusual circumstances where the safety of the public or work is in jeopardy. Holidays declared by the RDA shall be treated as non-working days.

27.3 One Month.

27.4 2% of the Initial Contract Price in Rupees.

35.1 Add with the following,

The Defects Liability Period is 365 Days.

42.7 Add sub clause 42.7 with following,

The Contractor shall submit proof of royalty payment along with each payment application for the exact amount of royalties, along with the corresponding actual quantities of borrowed materials such as earth, sand aggregate and boulders as applicable under the respective pay items of the BOQ, in accordance with the Law of country.

43.1 Replace the second sentence of Clause 43.1 “The Employer shall pay date of each certificate” with the following.

“The Employer shall pay the Contractor the amounts certified by the Engineer within 28 days of the date of each certificate. If the Employer makes late payment the Contractor shall be paid interest on the late payment in the next payment. Interest shall be calculated from the date by which the payment should have been made up to the date when the late payment made at the rate of interest of 1% over and above the applicable legal rate of interest as determined by the Monetary Board of the Central Bank of Sri Lanka.”

47.1 Price Adjustment

The contract is subjected to price adjustment

Indices No	Input Name	Input Percentages

Non adjustment elements shall be: BOQ items Nos: 1.06, 1.07 & 1.08

48.1 The retention from each payment shall be 10% percent of the certified work done.

The limit of retention shall be 5 % of the Initial Contract Price.

49.1 The liquidated damages for the whole of the Works shall be **Rs. 22,500/-** per Day.

The maximum amount of Liquidated Damages for the whole of the works shall be 10% (ten percent) of the Initial Contract Price.

51.1 Replace the Sub-clause 51.1 with the following: -

‘The Employer shall make advance payment to the Contractor in an amount equivalent to 20% of the Initial Contract Price less contingencies less Provisional Sums within 14 Days after furnishing of an unconditional guarantee in a form and by an agent acceptable to the Employer. The guarantee shall remain effective until the advance payment has been repaid, but the amount of the guarantee shall be progressively reduced by the amounts repaid by the Contractor. Interest will not be charged on the advance payment.

Advance Payment would be made in two equal instalments. The second Instalment would be paid only after establishing that the first instalment of the advance payment has been used exclusively for mobilization as per Cl. 51.2 and submission and approval of detailed construction programme with network analysis and resource scheduling.

Unconditional, Irrevocable, on demand Advance Payment Guarantee issued by the any of the following agents is acceptable.

- (a) A local commercial bank approved by the Central Bank of Sri Lanka, which is operating in Sri Lanka.
- (b) A foreign commercial bank operating in Sri Lanka, which is approved by the Central Bank of Sri Lanka.
- (c) Construction Guarantee Fund.

52.1 The Performance Security shall be 5% percent of the Initial Contract Price and shall be issued by a Bank acceptable to the Employer.

Unconditional, Irrevocable, on demand Performance Security Issued by the any of the following agents is acceptable,

- (a). A local commercial bank approved by the Central Bank of Sri Lanka, which is operating in Sri Lanka.
- (b) A foreign commercial bank operating in Sri Lanka, which is approved by the Central Bank of Sri Lanka.
- (c) Unconditional, on demand Performance Security issued by the Construction Guarantee Fund

58.1 Replace the Sub-clause 58.1 with the following

As-Built Drawings shall be submitted to the Engineer within one month after the issuance of the Certificate of Completion. If the Contractor fails to provide the As-Built Drawings by this deadline, or they do not receive the Engineer’s approval, the Engineer shall withhold the release of Final payment of the Contract.

No separate payment shall be made for the preparation of As-Built Drawings. The cost shall be deemed to be included in the rates and prices of the various Contract items.

The Contractor shall, at his sole expense, retain a qualified engineer to carry out appropriate on-site construction inspections to ensure that all improvements as set forth required, pursuant to RDA standards and specification, and as-built shall be provided.

The contractor shall certify, in writing, to the Engineer that the improvements were done in compliance with the approved plan or agreement pursuant to RDA Standards & Specifications and as-built shall be provided.

Field managed record drawings, indicating additions and deletions shall be provided to the Engineer for approval prior to the preparation of the final as-built Drawings.

Each As-Built Drawing prepared for the project shall meet the following requirements, and both a hard copy and an electronic AutoCAD drawing file format on CD shall be submitted to the Engineer.

The following requirements shall be met for all As-Built Drawing submissions:

- (a) All as-built for projects are required to be on 24" x 36" or similar size of construction drawings and shall bear the name and address, of the person who preparing the drawings and the date the as-built data is added to the original via the revision block. Electronic Auto CAD drawing files, based on the GPS coordinate, are also required (if the construction drawings are prepared based on GPS coordinates). Surveyor's/Engineer's statement (with embossed or wet seal and with an original signature on each sheet) shall verify that as-built drawings reflect the true conditions in the field.
 - (b) Contractor's statement (with an original signature on each sheet) shall verify that all construction specifications and product qualities have been met or exceeded.
 - (c) "AS BUILT DRAWINGS" of "RECORD DRAWING" shall be clearly labelled on each sheet.
 - (d) If the details of under-ground service lines (Water, Sewerage, ducts & etc.) are available needs to be included to the as-built drawings on the approval of Engineer
 - (e) The location and elevation of the benchmark referenced will be shown on the drawing. If the reference benchmark is within the project, then a complete description of its location will be provided to assist in future locating.
 - (f) Survey data, relative to the GPS coordinate grid, on right-of-way monuments installed or encountered within the project
 - (g) All changes to the alignment either vertically or horizontally of curb & gutter sidewalk, pavers or any other surface improvement.
- 60.1 The percentage to apply to the value of the work not completed, representing the Employer's additional cost for completing the Works, is 25%
- 63 Clauses 63.2(b), 63.4, 63.5, 63.6 and 63.7 are not applicable.
- 63.3 Replace the text of Clause 63.3 with the following text: "The total sum paid to the Contractor shall include such amounts, for the work, supplies or services plus following percentage of actual cost shall be paid to the Contractor for Provisional Sum of the Bill of Quantities."
- 1. For the works executed by Utility Authorities - 5%
 - 2. For the works directly executed by the Contractor – 20%
 - 3. For supplying and services- 5%

Section - 6

Specifications

Standard Specification
Particular Specification

REFERENCE ONLY

STANDARD SPECIFICATIONS

The Standard Specifications comprise ‘Standard Specifications for Construction and Maintenance of Roads and Bridges’ issued under the authority of the Director General of the Road Development Authority and published by the Institute of Construction Training and Development.

The ICTAD Publication No. of this publication is SCA/5. Second Edition Published in June 2009

Bidders who are not in possession of this publication can purchase it from the CIDA.

REFERENCE ONLY

PARTICULAR SPECIFICATIONS

These Particular Specifications should be read in conjunction with the Standard Specifications for Construction and Maintenance of Roads and Bridges, ICTAD Publication No SCA/5, which are applicable in all cases not covered herein.

The Particular Specifications for some sections of the works are comprehensive and cover the full extent of the works in these sections. In other sections they apply in conjunction with the Standard Specifications. Finally in some sections not covered in the Particular Specifications, the Standard Specifications shall apply in full.

Where there is an ambiguity or discrepancy between the Particular Specifications and the Standard Specifications, the Particular Specifications shall prevail.

REFERENCE ONLY

Preliminaries & General

1. Mobilisation and Demobilisation

The Contractor shall make provision for mobilization & demobilization of equipment, plant and machinery, staff, labourers to the site including erection and removal at the completion of works of his temporary installation and facilities including site office, etc. The Contractor shall submit to the Engineer within 14 days from the date of Letter of Acceptance his mobilization and demobilization plan of site. The Engineer shall approve the mobilization and demobilization plan and payment shall be based on schedule of mobilization and demobilization plan of site.

Payment

Payment shall be made according to the schedule submitted by the Contractor and within the lump sum amount agreed in the Bill of Quantities.

Item No.	Description	Pay Unit
P(001)	Mobilisation and demobilisation.	LS

2. Video Survey

R.O.W video logging shall be collected along roads before and after the rehabilitation/improvement.

The visible right of way (R.O.W.) shall be recorded and stored as digital Images at 5/10 m intervals using an intermittent/frame-based system. The pictures shall have information superimposed which facilitates location identification (chainage and GPS coordinates) and shall have a playback system which facilitates locating specific road sections. The specifications of the cameras to be used in works shall be certified by the Engineer before commencement of Works.

The images shall be superimposed in real-time with the vehicle's location in terms of displacement and GPS coordinates. Each frame shall be referenced in terms of the displacement from Longitudinal Road Profile (LRP) and the GPS coordinates in the database.

The data shall be provided to the Employer in two copies with appropriate (ideally printed) labels, indicating relevant district and road number(a) Only one road section shall be included per one video file. The file name shall be the road ID number and the file shall I be accompanied by a catalogue.

Payment

Payment shall be made at the unit rates quoted. This shall be full compensation for all the items and other expenses with respect to items

Item No	Description	Pay Unit
P(002)	Submission of initial & final Video logging	Km

Section-7

Bill of Quantities

REFERENCE ONLY

BILL OF QUANTITIES

PREAMBLE

1. The Bill of Quantities shall be read in conjunction with all other bidding documents.
2. General directions and descriptions of work or materials given elsewhere in the bidding Documents are not necessarily repeated in the Bills of Quantities. For the full meaning of each Item, reference should be made to the applicable passages in the bidding Documents.
3. The prices and rates entered by the Contractor in the Bill of Quantities shall be deemed to cover the complete and finished works in the final position as required by the bidding Documents, including, inter alia, all costs and expenses which may be required in and for the construction and maintenance of the works, together with all risks, liabilities, contingencies, insurance, sampling, testing, providing all necessary assistance to the Engineer and in general all obligations imposed or implied by the contract.
4. Without affecting the generality of the foregoing provisions the prices and rates entered by the contractor in the Bills of Quantities shall also include, inter alia, all costs and expenses involved with or arising from the following:
 - I The provision, storage, transport, handling, use, distribution and maintenance of all materials, plant, equipment, machinery and tools, including all costs, charges, dues demurrage or other outlays involved in carriage and importation.
 - ii the provision and maintenance of all staff and labour and their payment, accommodation, transport, fares and other requirements.
 - iii Setting out, including the location, construction and preservation of survey markers, measurement and supervision.
 - iv the provision, storage, transport, use, handling, distribution and maintenance of all consumable stores fuel, water and electricity including the requirements of the Engineer's Representative and his staff.
 - v the location, test proving, opening, operation, reinstatement of all quarries and borrow pits, as well as compensation and mining royalties' costs associated with quarries and borrow pits or any other land the contractor may require additional to that provided free for the execution of the permanent works.
 - vi Sampling, the transport of samples, testing, the carrying out of trial sections of earthworks or payment and the checking of all information given by the Engineer.
 - vii Injury caused to the Works under Construction, Plant, Materials and consumable stores by weather.
 - viii Repairs to the Works either prior to or during the Period of maintenance.
 - ix Maintenance work as detailed in the Specifications and the Conditions of Contract and the maintenance of public amenities.
 - x Co-ordination with other Contractors or Authorities carrying out work either in connection with or adjacent to the Works.
 - xi the supply of manufacturers test certificates.
 - xii the protection of mains and services, and cost of repairs in case of damage caused by the Contractor.
 - xiii Pumping and dewatering; the protection of excavation faces.

- xiv the provision and maintenance of temporary diversions in order that through traffic flow shall remain unobstructed through the contract period and in general the provision of all temporary works required in connection with the works.
- xv Insurance, custom duties, taxes (excluding VAT) levies, first aid, welfare and safety requirements and all other overheads and costs and profit.

5. A price or rate shall be entered against each Item in the Bills of Quantities whether quantities are stated or not. Item against which no price or rate is entered shall be deemed to be covered by the other prices or rates entered by the Contractor in the Bill of Quantities. The unit price or rate entered against any Item shall take Precedence over any miscalculation in the total sum against that Item. Where separate items have not been provided in the Bill of Quantities for work shall be deemed to have been included in the other prices and rates.

6. The Quantities given in the Bill of Quantities are estimated only and are given to provide a basis for the tender. No guarantee is given for their accuracy and payments to Contractor will be based on the prices and rates quoted in the bills applied to measured quantities for work done.

The quantity for each Item of work executed by the Contractor in accordance with the Contract shall be measured net and no allowance will be made for waste, bulking, shrinkage decrease of volume due to compaction or the provision of working space.

7. The items in the Bills of Quantities are the general application to the whole of the works at any location on site or any part of the works as indicated in the bid documents or instructed by the Engineer's representative.

8. Tenders, which group several items together in the Bill of Quantities under one price, will not be accepted.

9. The Units of measurement described in the Bill of Quantities are Metric Units. Abbreviations in the Bill of Quantities are as follows: -

hrs	-	Hours
km	-	Kilometre
m	-	Linear Metre
m ² or sqm	-	Square Metre
m ³ or cum	-	Cubic Metre
nos.	-	Numbers
L.S	-	Lump Sum
P.S	-	Provisional Sum
mth.	-	Month
ltr.	-	Litre
kg.	-	Kilogramme
mt	-	Metric Tonne
mm.	-	Millimetre
wk.	-	Week

DAY WORKS

1. The rates entered in the Schedule for Bill of Quantities shall form day works items for pricing extra work ordered to be done in accordance with the Contract.
2. The rates shall include all overheads and profit and all other costs of whatever nature necessary for and incidental to the performance of extra work whenever ordered and these rates required anywhere on the Site for the operation of plant the provision of labour or the provision of materials and shall be deemed to include inter alia:

Plant Operation, maintenance, repairs, fuel, oils grease, hydraulic fluids, taxes, duties operator's wages and overtime, travelling time, transport supervision, administration costs related to the use of such plant.

Labour Wages, overtime, bonuses, travelling time, hand tools, accommodation, fringe benefits, transport and supervision.

Materials Provision, transport, handling, wastage and storage

In the case of Plant and labour, only time spent working shall be paid for.

For Day works required outside the Site (which for these purposes shall mean all areas shown on the plans for permanent works and all areas of temporary works such as Contractor's and Engineer's camps, quarry, borrow pits and their access roads, diversion roads etc.), the following should be chargeable:

Plant: Self travelling: Actual travel time of and to place of stationing on the day of the work.

Transport: Travelling time of the places of transport (lorry, low loader etc.)

Labour: Travel time for the means of transport used.

Materials: Travelling time for the means of transport used.

The rates shall apply only to such work, as the Engineer shall instruct in writing to be carried out as day works. All items should be priced.

FORM OF BID SECURITY

[This Guarantee form shall be filled in accordance with the instructions indicated in brackets]

..... *[insert issuing agency's name, and address of issuing branch or office]*

Beneficiary: Director General, Road Development Authority, 1st Floor, "Maganeguma Mahamedura", 216, Denzil Kobekaduwa Mawatha, Battaramulla.

Date: *[insert (by issuing agency) date]*

BID GUARANTEE No.: *[insert (by issuing agency) number]*

We have been informed that *insert (by issuing agency) name of the Bidder*] (hereinafter called "the Bidder") has submitted to you its bid dated *[insert (by issuing agency) date]* (herein after called "the Bid") for the execution of **Improvement of Eruvittan-Vellalakaddu Road** under Contract No: **RR/RDA/11/25/NP/MNR/11**

Furthermore, we understand that, according to your conditions, Bids must be supported by a Bid Guarantee.

At the request of the Bidder, we*[insert name of issuing agency]* hereby irrevocably undertake to pay you any sum or sums not exceeding in total an amount of*[insert amount in figures]**[insert amount in words]* upon receipt by us of your first demand in writing accompanied by a written statement stating that Bidder is in breach of its obligation(s) under the bid conditions, because the Bidder:

- i. has withdrawn its Bid during the period of bid validity specified; or
- ii. does not accept the correction of errors in accordance with the Instruction to Bidders (hereinafter "the ITB") of the IFB or
- iii. having been notified of the acceptance of its Bid by the Employer during the period of bid validity,
 - (i) fails or refuses to execute the Contract Form, if required, or
 - (ii) fails or refuses to furnish the Performance Security, in accordance with the ITB.

This Guarantee shall expire:

- (a) if the Bidder is the successful bidder, upon our receipt of copies of the Contract signed by the Bidder and of the Performance Security issued to you by the Bidder; or
